The case of Officer Peter A. Gillin was called. The defendant was charged by Captain George W. Wittman with unlawful and unofficer-like conduct in abusing, threatening and finally striking Officer William Isaacs with a pistol; all this, without just cause or provocation, while under the influence of intoxicating liquor. The defendant was represented by his attorney, Mr. A. Campbell, and pleaded not guilty as to the charge of intoxication but pleaded guilty to the other allegations of the charges. In the Superior Court of the City and County of San Francisco, State of California.

William Price,
Plaintiff and Petitioner,
vs.
Board of Police Commissioners of the City and County of San Francisco, et als.,
Defendants.

Writ of Peremptory Mandate.

The People of the State of California to the Board of Police Commissioners of the City and County of San Francisco, State of California: Greeting:

The above entitled cause coming on regularly to be heard upon issues joined, and the Court after having fully considered all the evidence in the case and being fully advised thereon, having found that all of the material allegations of the complaint are true and that all of the allegations of the answer herein are untrue except such allegations in said answer as admit the truth of the allegations of the complaint herein; and among other things the Court having found that the

predecessors of the defendants herein did upon the 19th day of April, 1899, illegally and without any authority of law therefor whatever, and without any jurisdiction whatever assume and pretend to disrate, and did disrate, the plaintiff William Price from his rank of Lieutenant of Police and did, upon said date, assume and pretend to relegate, and did relegate, the said William Price to the inferior and subordinate rank of Sergeant in said Police Department and by and through said unlawful, illegal and unwarranted action of the said Board of Police Commissioners, the said William Price plaintiff and petitioner herein was ousted from, and deprived of the use and enjoyment of said right, office and rank of Lieutenant of Police to which the said William Price was, and still is, justly and lawfully entitled, and by reason of the said unlawful action the said William Price ever since said 19th day of April, 1899, and now is unlawfully, unjustly, without any warrant or authority of law and without any jurisdiction therefor, illegally precluded by said Board and by the defendants herein from the use and enjoyment of his said right, office and rank of Lieutenant of Police to which he was and is duly entitled; and that the said William Pric since said last mentioned date and more particularly on the 13th day of September A. D. 1900, demanded of and from the defendants herein that they set aside annul, vacate and rescind the said action of said April 19, 1899, and restore and re-instate him in and to his said rank of Lieutenant of Police which demand was and still is refused; and that the said William Price is the party beneficially interested herein and that he has not a plain, speedy and adequate remedy herein in the ordinary course of law;

Now, Therefore, we do command you, said Board of Police Commissioners of the City and County of San Francisco and your legal successors, that immediately upon the receipt of this writ you do forthwith set aside, annul, vacate and rescind the said unlawful action of said April 19th 1899, wherein and whereby the said William Price was, without jurisdiction, and without authority of law, attempted to be disrated and relegated from the rank of

Lieutenant of Police to that of Sergeant of Police in the Police Department of the City and County of San Francisco, and that you do forthwith restore and re-instate the plaintiff and petitioner William Price in and to his said rank of Lieutenant of Police to which he was and is justly and lawfully entitled, and from which he was and is unlawfully precluded by you.

Officer John M. O'Connor

The case of Officer John M. O'Connor was called, having been continued from April 16, 1901. The defendant was charged by Capt. John Spillane with neglect of duty in being absent from drill and with general inefficiency caused by defective sight and hearing. On April 16, 1901 the defendant pleaded guilty to being absent from drill, with an explanation, and not guilty to general inefficiency. On this date the defendant was ordered to report to the Police Surgeon Dr. Louis Bazet for examination as to his efficiency, the charge of neglect of duty being taken under advisement. The defendant now appeared with his attorney Mr. Edward Southitt. The Board considered the report of Dr. William E. Hopkins, a specialist on the eye and ear, to whom the defendant had been referred for examination by Dr. Bazet. It being the sence of the Board that defendant Officer John M. O'Connor's disabilities were the result of injuries received while in the performance of his police duty (attempting to stop a run-away), it was ordered that the charges in this case be dismissed, on these grounds, and that the Chief of Police be instructed to detail him to such duty as would be compatible with his physical condition.
Ayes: Commissioners Howell, Wallace, Mahoney.

Officer Edward M. Chapin

The case of Officer Edward M. Chapin was called, three separate charges of failure to pay just debts having been preferred him by A. Franchi, John D. Feldman and Mrs. Fannie E. Mickle respectively. The defendant appeared in person and stated that these debts had been paid since the filing of the charges. A. Franchi and A. C. Geyer for John D. Feldman appeared and asked leave to withdraw their complaints. The same

request was made by Mrs. Mickle in letter from her attorney W. D. Grady.
The Board found the defendant, Officer Edward M. Chapin guilty of neglect of duty and ordered that he be reprimanded.

The matter of licensing the Retail Liquor dealers who have their places of business in close proximity to the Presidio Reservation was considered. After some discussion and after various attorneys had addressed the Board, it was moved by Commissioner Wallace and seconded by Commissioner Newhall, that the places under consideration be granted permits, subject to the following conditions. That the sale of liquors (of intoxicating effect) in these places, be limited to such as were sanctioned by the rules of the regularly authorized U. S. Army canteen; and that the opening and closing of these places should take place at hours to be determined and fixed by the Chief of Police.

This motion was lost by the following tie vote.

Officer Jotham S. Marston

In the matter of Officer Jotham S. Marston, cited on June 18th 1901, to appear before the Board at this meeting to show cause why he should not be dismissed from the Police Department by reason of his permanent disability rendering him unfit for active service; it appearing that said Jotham S. Marston has filed with this Board, his application to be retired in due form and pensioned, under the provisions of Chapter X of Article VIII of the

Charter of the City and County of San Francisco, stating that he had been permanently disabled while in the performance of his duty as Police Officer; the following action was taken.
A report having been filed with the Board by Dr. T. L. Mahoney and Dr. G. W. Terrill, Examining Physicians for the Police Pension Fund, stating that the only way to determine the nature of Officer Marston's disability, which he himself claims to be epileptic seizures, without seeing him during a seizure, would be by having him enter a hospital where his seizures could be observed by medical men, the Board adopted this suggestion and ordered that the matter be referred to the Chief of Police with instructions to order Officer Marston to enter a hospital as suggested or failing so to do, to report for duty.

In re: Nickel-in-the-slot Machines.
The following Retail Liquor Dealers were cited to appear before the Board by Chief of Police George W. Wittman, to answer charges preferred by him, alleging that they had permitted gambling devices i.e., nickel-in-the-slot machines, to be operated on their premises in violation of law

John H. Claussen	N.E. cor Taylor & Geary St

The complaints specifically stated that the machines in question had either paid directly in coin or had paid checks or tokens which

were subsequently exchanged for coin by those conducting the business of the premises. Officers S. L. Levings and Charles D. Wedekind testified for the prosecution and produced before the Board the evidence in each case. The defendants appeared and testified in their own behalf. After consideration the Board postponed their decision in each case until the next meeting of the Board.

Ayes: Commissioners Howell, Wallace, Mahoney, Newhall.

A communication from the Chief of Police was then read, requesting the Board to direct the destruction of such slot machines as may have been used in the commission of crime; to-wit: gambling for money; as authorized by sub-division 5 of Section 1 of Chapter III of Article VIII of the Charter, i.e: those machines which were seized as evidence of the offense charged, at the time when the above-named defendants were arrested.

Attorney John Kennedy appeared and argued against the order requested by the Chief; he representing the owners of said machines. Upon consideration the question arose as to whether those machines which paid in merchandise and were licensed by ordinance 78 of the Board of Supervisors were not equally illegal, under Section 330 of the Penal Code, with those which paid directly or indirectly in coin.

The Board took the matter under advisement and appointed Commissioner Mahoney, a committee of one, to direct a communication to the District Attorney, requesting his written opinion, as to the legality of ordinance 78 in view of the provisions of Section 330 of the Penal Code, and as to the power of the Board to order the destruction of machines used for gambling purposes in violation of law.

Sergeant of Police Bernard Harter

In the matter of Bernard Harter, a Police Officer in this Department, who was disrated on February, 19, 1894 from the rank and duties of Sergeant of Police by the former Board of Police Commissioners holding office under the Consolidation Act and its amendments, the following proceedings were had.

The following communication from the City Attorney was read.

San Francisco, Dec 21, 1901.

Gentlemen: The Superior Court has decided that B. Harter is entitled to re-instatement to the rank and duties of Sergeant of Police in the Police Department of this city and county. I would be pleased to know what further action in this matter you desire taken by this office.

Respectfully
Franklin K. Lane

The Board of Police Commissioners.

Attorney Peter F. Dunne appeared as attorney for Bernard Harter and informed the Board that he had filed with the Secretary copies of the peremptory writ of mandate issuing out of the Superior Court of this City and County on Dec 19, 1901 commanding the Board to re-instate Police Officer Bernard Harter in the rank and duties of Sergeant of Police; said writ running in words and figures as follows:

In the Superior Court of the City and County of

San Francisco, State of California.
Bernard Harter,
Plaintiff,
— vs. —
Board of Police Commissioners of the City and County of San Francisco, State of California, and George A. Newhall, William T. Wallace, David T. Mahoney and J. R. Howell, as members of and constituting said Board,
Defendants
No. 76,858. — 4 —

Writ of Peremptory Mandate.

The People of the State of California to the Board of Police Commissioners of the City and County of San Francisco, State of California:
Greeting:

The above entitled cause coming on regularly to be heard upon issues joined, and the Court after having fully considered all the evidence in the case, and being fully advised therein, having found that all of the allegations of the complaint are true and among other things the court having found that the predecessors of the defendants herein did upon the nineteenth day of February A. D. 1894, illegally and without any authority of law therefor whatever, and without any jurisdiction whatever assume and pretend to disrate and did disrate the plaintiff Bernard Harter from his rank of Sergeant of Police, and did upon said date assume and pretend to relegate and did relegate the said Bernard Harter to the inferior and subordinate rank of patrolman in said Police Department, and by and through said unlawful, illegal and unwarranted action of the said Board of Police Commissioners, the said Bernard Harter, plaintiff and petitioner herein, was ousted from and deprived of the use and enjoyment of said right, office and rank of Sergeant of Police, to which the said Bernard Harter was, and still is, justly and

lawfully entitled, and by reason of the said unlawful action the said Bernard Harter ever since said nineteenth day of February 1899, has been and is now unlawfully, unjustly, without any warrant or authority of law and without any jurisdiction therefor, illegally precluded by said Board and by the defendants herein from the use and enjoyment of his said right, office and rank of Sergeant of Police to which he was and is duly entitled; and that the said Bernard Harter, since said last mentioned date, and more particularly on the 19th day of March A. D. 1901, demanded of and from the defendants herein, as members of and constituting the Board of Police Commissioners of the City and County of San Francisco, State of California, and while assembled in open and public meeting as a Board, that as such Board they set aside the action and order of said nineteenth day of February, 1894, aforesaid, and re-instate said plaintiff and petitioner in his aforesaid rank of Sergeant of Police, and to comply with which demand was, and still is refused by defendants; and that the said Bernard Harter is the party beneficially interested herein, and that he has not a plain, speedy and adequate remedy herein in the ordinary course of law;

Now, therefore, we do command you, said Board of Police Commissioners of the City and County of San Francisco, and your legal successors, that immediately upon the receipt of this writ, you do forthwith set aside, annul, vacate and rescind the said unlawful action of the 19th day of February, A. D. 1894, wherein and whereby the said Bernard Harter was, without jurisdiction, and without authority of law, attempted to be disrated and relegated from the rank of Sergeant of Police to that of Patrolman in the Police Department of the City and County of San Francisco, and that you do forthwith restore and reinstate the plaintiff and petitioner Bernard Harter in and to his said rank of Sergeant of Police, to which he was and is justly and lawfully entitled, and from which he was and is

unlawfully precluded by you.
Witness the Honorable Frank H. Dunne, Presiding Judge of the Superior Court of the City and County of San Francisco, and the seal of said Court, this 19th day of December 1901.

Seal.

Wm A. Deane, Clerk

In re Saloons in neighborhood of the Presidio Military Reservation.

A communication was read from His Honor Mayor James D. Phelan, calling the attention of this Board to suits pending against the City and judgments given, for damage to property due to riotous acts by United States soldiers, directed against saloons situated in the neighborhood of the Presidio Military Reservation, and advising this Board to take action to hold the City harmless against financial loss in case of case of a recurrence of such riots. The Mayor suggested that the saloon keepers and the owners of the real estate and improvements might be required to furnish bonds so that the City might be protected.

On motion of Commissioner Wallace, seconded by Commissioner Howell, it was ordered that the communication be filed and that the Secretary be instructed to request the written opinion of the City Attorney as to the powers of the Board in this connection and the legality of such proceedings.

Sergeant of Police James Kelly.

In the matter of Officer James Kelly, a Police Officer in this Department, who was dismissed from the rank and duties of Sergeant of Police on September 21, 1890 by the Board of Police Commissioners holding office under the consolidation act and its amendments, the following proceedings were had.

Attorney Jule M. Kinley appeared before the Board on behalf of James Kelly and stated that he had filed with the Secretary of the Board copies of the original peremptory writ of mandate issuing out of the Superior Court of this City and County on December 28, 1901, commanding this Board to re-instate said James Kelly in the rank and duties of Sergeant of Police which he formerly held and performed.

The said peremptory writ was in words and figures as follows:

In the Superior Court of the State of California, in and for the City and County of San Francisco.

James Kelly
Plaintiff and Petitioner,
vs. No 76819 Dept 4.
The Board of Police Commissioners of the City and County of San Francisco, G. A. Newhall, D. T. Mahoney, W. T. Wallace & Jos B. Howell
Defendants and Respondents

The People of the State of California to the Board of Police Commissioners of the City and County of San Francisco, G. A. Newhall, D. T. Mahoney, W. T. Wallace and Jos. B. Howell, members thereof
Greeting:

Whereas, it appearing to the above Court and established by due and sufficient proof in open Court, that petitioner James Kelly, was on the 1st day of October A. D. 1889 duly appointed and sworn to the office of Sergeant of Police of the Police Force of the City and County of San Francisco, State of California, and thereupon assumed and discharged the duties incumbent upon such office of Sergeant of Police, and continued as such Sergeant and performed the duties thereof up to the 22d day of September 1890;

That on the 22d day of September A. D. 1890 said Board of Police Commissioners by their predecessors in office, arbitrarily and summarily disrated said James Kelly, and reduced said James Kelly to the inferior rank and office of Patrolman of said police force, and ever since and still continues to compel said James Kelly to hold such inferior office of patrolman and unlawfully precludes said James Kelly from his said office of Sergeant of Police of the City and County of San Francisco, State of California;

That no notice was given said James Kelly of said intended disratement, no charges preferred or no trial had at the time of said disratement;

That said action of said Board in disrating said James Kelly was wholly without authority of law and beyond the jurisdiction of said Board and void;

That James Kelly is the party beneficially interested in the prosecution of this proceeding;

That no plain, speedy and adequate remedy exists in the ordinary course of law whereby said James Kelly may prosecute his said right, and mandamus is a proper remedy; and whereas a judgment and order of said Court was duly made and entered this 28th day of December A. D. 1901 in favor of James Kelly above named and against said Board of Police Commissioners, under and by virtue of the provisions and directions thereof, the said Board of Police Commissioners are adjudged to be unlawfully precluding said James Kelly from the office and right of Sergeant of Police of the City and County of San Francisco; to which office said James Kelly is entitled;

Now therefore we do command you, the said Board of Police Commissioners and G. A. Newhall, D. T. Mahoney, W. T. Wallace and Jos B. Howell members thereof, that immediately upon receipt of this writ of mandate, you do let into, and re-instate said James Kelly to his said office and right of Sergeant of Police, of the City and County of San Francisco.

Seal of Superior Court

Given under my hand and the seal of said Superior Court of the City and County of San Francisco, State of California, this 28th day of December A. D. 1901.

Witness: Hon F. H. Dunn
Presiding Judge.

Wm A. Deane, Clerk
By T. C. Mahon
Deputy Clerk.

James Kelly then appeared before the Board and stated that he waived all claim for back-pay as Sergeant of Police; filing the following written waiver:

San Francisco, December 30, 1901.

To the Honorable Board of Police Commissioners of the City and County of San Francisco, State of California, and George A. Newhall, William T. Wallace, David T. Mahoney and J. R. Howell, as members of and constituting said Board.

Gentlemen:

I hereby waive all claim to any compensation as Sergeant of Police, from the 21st day of September 1890, to this the 30th day of December 1901, the date of my re-instatement to the rank of Sergeant of Police.

(Signed) James Kelly Filed.

In re: Nickel-in-the-slot Machines
In the matter of Retail Liquor Dealers operating so-called nickel-in-the-slot machines, continued from December 10, 1901.
Opinion of District Attorney.
An opinion of the District Attorney was read, informing the Board that, in the light of authorities cited, it would not be safe for the police department to destroy so-called nickel-in-the-slot machines, in the possession of the police as evidence in prosecutions of persons who have either pleaded guilty or been convicted after trial; said police department acting under the provisions of sub-division 5, section 1, Chapter 3 of Article XIII of the Charter.
The opinion did not pass upon the legality of Ordinance 78 of the Board of Supervisors, in reference to the provisions of section 330 of the Penal Code.

In view of the opinion from the District Attorney, the following action was taken.
Communications from Chief
It was ordered that the communications from the Chief of Police requesting the Board to direct the destruction of the nickel-in-the-slot machines in his possession, be filed.
Ayes: Commissioners Howell, Wallace, Mahoney, Newhall.
Chief to return nickel-in-the-slot machines.
On motion of Commissioner Wallace, seconded by Commissioner Howell, it was ordered that the Chief of Police be and is hereby instructed to return to their owners said nickel-in-the-slot machines in his possession and to procure receipts therefor.
Ayes: Commissioners Howell, Wallace, Mahoney, Newhall.
Communication to Board of Supervisors.
The Secretary was instructed to direct a communication to the Board of Supervisors respectfully calling

their attention to the fact that Ordinance 78 of the Board of Supervisors {General Orders} would appear to be void inasmuch as it is in conflict with the provisions of section 330 of the Penal Code.

Ayes: Commissioners Howell, Wallace, Mahoney, Newhall.

It was further ordered that the following named Retail Liquor Dealers, who maintained and operated nickel-in-the-slot machines, on their premises, which machines paid in coin or paid checks or tokens which were subsequently exchanged for coin by those conducting the business of the premises, be cited to appear before this Board as they make applications for renewal of their permits.

Police Officer Harry Hook.

In the matter of the application and petition of Police Officer Harry Hook for re-instatement in the rank of Sergeant of Police, continued from January 14, 1902, on which date the application was referred to the City and

County Attorney for his written opinion as to the power of the Board to make said re-instatement.

The City and County Attorney, as requested, rendered, under date of January 28, 1902, a written opinion adverse to the claim of Police Officer Harry Hook, holding that the decision of the Superior Court in the case of James Kelly vs. The Board of Police Commissioners was without applicability to this case, since by resigning and severing his connection with the Department, whatever rights he may have had within the Department were lost, and that when he was appointed for the second time, he came into the service again as a new man and upon no better footing than any other officer; and, that to now give him rank as a Sergeant would be equivalent to promotion without compliance with the Civil Service provisions of the Charter which govern all promotions within the Police Department.

In view of this adverse opinion the Board took action as follows:

On motion of Commissioner Mahoney, seconded by Commissioner Hutton, it was ordered that the application of Officer Harry Hook, to be re-instated in the rank of Sergeant of Police, be denied.

The Chief further stated, that in view of Section 8, of Chapter X of Article VIII of the Charter, authorizing the Commissioners to give rewards for conduct which is heroic or meritorious, he considered that Officer Charles H. Taylor had signally merited recognition and reward for his distinguished services. The Board acted upon this suggestion as follows:

On motion of Commissioner Hutton, seconded by Commissioner Mahoney, it was ordered by unanimous vote of the Board, that Officer Charles H. Taylor be, and is hereby granted and awarded the sum of one hundred dollars, as a reward for his heroic conduct.

Officer Joseph A. Crackbon

The Chief of Police reported to the Board that on the morning of the 24th day of January, Police Officer Joseph A. Crackbon, while on patrol duty in the Mission District, had shot and killed one Joseph Pedro under circumstances which he detailed. That he had placed Officer Crackbon in the City Prison and had detailed Detective Sergeant Harry Reynolds to subpoena all witnesses before the Coroner's jury at the inquest. That the inquest had been held on the 27th day of January and that the jury had found that Joseph Pedro had been killed by a shot fired by Officer Crackbon and had exonerated the officer from all blame. That he had then released Officer Crackbon from custody. That he would now request the Board to set a time for a full investigation of the matter.

Officer Joseph A. Crackbon
The case of Officer Joseph A. Crackbon was called, having been heard on February 4th and 6th and continued to this meeting for decision and judgment.
The defendant appeared in person with his attorney Mr T. M. O'Connor.
Commissioner Hutton read the written decision of the Board holding that the defendant's conduct was unjustifiable and that he had violated the rule of the Department that he was charged with violating.
The decision was signed by the four members of the Board and was ordered filed as part of the record in the case.
On roll call, the defendant, Officer Joseph A. Crackbon, was declared guilty, on the following vote.
Ayes: Commissioners Hutton, Howell, Mahoney, Newhall.
Commissioner Hutton stated that the Board had at first intended to impose the penalty of suspension without pay, for a considerable period of time, and, with this end in view had interrogated the City Attorney as to the power of the Board to suspend. He then stated, that the City Attorney had rendered an opinion holding that the Board had not been granted the power to suspend, and, that in view of this opinion and the inadequacy of a reprimand or fine, only one course was open to the Board and that was, to impose

the penalty of dismissal.
It was then ordered, upon the following vote, that the defendant, Officer Joseph A. Crackbon, be dismissed from the Police Department.

Petition for correction of chronological record.
Officer Charles M. James
" John Painsbury
" William Callinan.
Petitions from Officers Charles M. James, John Painsbury and William Callinan were read, calling to the attention of the Board the fact that in the matter of charges of conduct unbecoming an officer against Sergeants Michael Murphy and Wm D. Hensley and Officers Robert L. Cockrill, Cornelius Kelly, Charles M. James, John Painsbury, James V. Gillen, Wm Gaynor, Michael J. Conboy, James Harold, William Armstrong & William Callinan, tried on March 25, 1889, at a meeting of the Board of Police Commissioners, the judgment of the Board was that the charges be dismissed. That, however, the chronological record of trials taken from said records, assumed to show that said defendants were reprimanded on said date. That said entry of "reprimanded" was in error and should be "charge dismissed." The petitioners requested the Board to make such investigations as they might consider necessary with the view of correcting said entry if it should be found to be in error. The Chief of Police stated to the Board that he had investigated this matter and had found nothing that would cast a doubt upon the statements of the petitioner.
It was therefore ordered, after an examination of the records, that the Secretary be and is hereby authorized to correct said entries by changing the entry "reprimanded" to that of "charge dismissed", with the proper authentication that the change was made by order of the Board.
Ayes: Commissioners Hutton, Howell, Mahoney, Newhall.

Sergeant Cassius P. Wright

Demand to be restored to roll of police pensioners

Mr. Davis Louderback as attorney for Cassius P. Wright, Sergeant of Police, presented to the Board a petition on behalf of said Cassius P. Wright, stating that the petitioner was duly retired on January 2, 1900 with the rank of Clerk to the Chief of Police and granted the pension of seventy-four dollars per month. That on June 26, 1900, by action of the Board of Police Relief and Pension Fund Commissioners, under Section 3 of chapter 10 of article 8 of the Charter of San Francisco, as ratified by action of the Board of Police Commissioners upon the same date, the petitioner was restored to active service in the Department, after having been examined physically by order of the Board of Police Relief and Pension Fund Commissioners and after having been by them pronounced physically fit for active police duty. That the petitioner was restored to duty with the rank of Sergeant. That the aforesaid orders and proceedings were without any warrant or authority of law. The petitioner requested that all of said proceedings and orders be set aside and that he be placed again upon the Police Relief and Pension Roll with the pension of seventy-four dollars per month.

After hearing the argument of Attorney Louderback, it was ordered that the petition be referred to the City Attorney for his written opinion, after the facts, as stated therein, had been verified.

Sergeant Michael J. Conboy
The petition of Sergeant Michael J. Conboy was read; said petition calling to the attention of the Board the fact that the judgment of the Board of Police Commissioners in the matter of his trial on charges of unofficer-like conduct, held on March 25, 1889, was correctly recorded in the official minutes of the Board of that date, as "Charge dismissed"; whereas in the chronological record of trials, transcribed from said minutes, the entry stood as "Reprimanded."
The petitioner averred that the entry of "Reprimanded" was in error and requested the Board to order the proper correction to be made.
On motion of Commissioner Mahoney, seconded by Commissioner Hutton, it was ordered that the petition be granted and that the entry in the chronological record be changed to read "Charge dismissed" in conformity with the minutes;

the Secretary to make the proper authentication.

Fraher was read; the petitioner requesting the Board to remit the penalty of a reprimand by the Chief of Police imposed upon him as the judgment of the Board in his trial on July 31, 1908 when he was charged with making an unlawful arrest. The petitioner averred that when he made the arrest he was acting under the orders of his superior, Captain Spillane, and that he was never declared guilty of the offence and was never actually reprimanded by the Chief. Captain Spillane testified that the arrest was made at his express command.
After the Board had carefully examined the record of the trial and had discussed the case, it was ordered that the petition be granted, and that the entry in the minutes of "Reprimanded by the Chief" be changed to "Charge dismissed", and that it be so certified to the Board of Civil Service Commissioners.
The Board held that the defendant in the case was never declared guilty, and was not so in fact, and that, in so far as the record shows him to have been reprimanded as a penalty, that it was in error.
Ayes: Commissioners Hutton, Howell, Mahoney, Newhall.

The defendant appeared, and, after hearing the complaint read, pleaded guilty with an explanation. After hearing the defendant's explanation, the Board announced, through the President, that the defendant would be allowed to withdraw his plea and substitute the plea of not guilty. At defendant's request, the Board then ordered that the plea of not guilty be entered. Sergeant Shadrick Campbell testified for the prosecution. The defense then admitted that the testimony of Officer John Morgan, Station Keeper and witness for the prosecution, would be substantially the same as that of Sergeant Shadrick Campbell. In view of this admission, Officer John Morgan was not called to the stand. The following testified for the defense: Dr. E. S. Howard; Mrs Belle Thompson; Sergeant William F. Brophy and Officer Edwin E. Lloyd. The Board then heard the argument of Mr. Michael Hernan, attorney for the defendant.
On roll-call, the defendant, Officer Edwin E. Lloyd, was held guilty, by unanimous vote.
Ayes: Commissioners Hutton, Howell, Mahoney, Newhall.
It was then ordered that the defendant, Officer Edwin E. Lloyd, be reprimanded; it being the sense of the Board that the exculpatory circumstances in this case would justify the Board in inflicting the minimum penalty.
Ayes: Commissioners Hutton, Howell, Mahoney, Newhall.
President Newhall delivered the reprimand.

Police Officer George O. Brown.

The case of Police Officer George O. Brown was called. The defendant was charged, in a properly verified complaint, by Lieutenant George Birdsall, with neglect of duty in reporting fifteen minutes late for roll-call. Lieutenant George Birdsall testified for the prosecution. The defendant testified in his own behalf.
On roll-call, the Board found Officer William

Quarels, the defendant, not guilty of neglect of duty.
Ayes: Commissioners Hutton, Howell, Mahoney, Newhall.
It was then ordered that the charges be dismissed.
Ayes: Commissioners Hutton, Howell, Mahoney, Newhall.

The petitioners requested the Board not to count this judgment of the Board as a conviction, and to refrain from certifying it as such to the Board of Civil Service Commissioners, in relation to the petitioners' record of meritorious service.

C. B. Hebbard, Judge of said Superior Court, on April 22, 1902, commanding the Board of Police Commissioners to re-instate said Harry Hook in his former rank of Sergeant of Police. Attorney Black served the said writ personally; but he stated that he desired that the Board should act at their own leisure and convenience in the matter.

It appearing that the City Attorney had not advised the Board as to the question of whether an appeal to the Supreme Court of the State, should or should not be taken in this case; the matter, after some discussion and with the assent of Mr. Black, was continued to the next meeting of the Board, in order to give the members thereof the opportunity of conferring with the City Attorney in regard to the advisability of taking an appeal to the Supreme Court.

complaint against the place as conducted by Lyons. It was then observed that there was no complaint before the Board upon which to base proceedings to revoke, the Chief and members of the Department having filed favorable reports upon Lyons' place. It was then ordered that the protest and complaint, presented and read by Attorney Arthur Barendt, be filed, and a copy thereof, duly certified, be served upon said William Lyons, and that he be cited to appear before the Board to show cause why his permit to sell liquors should not be revoked. In proceedings to revoke permit. [See above "Granted William Lyons 218 Post St. renewal"]
In the matter of the complaint to revoke the permit to sell liquor, heretofore granted to William Lyons, hearing upon which was had on May 13th, 1902, on which date the matter was taken under advisement and continued for decision.
The Secretary read the following opinion of the Board. It was then ordered that the charges and citation be dismissed.

Opinion of the Board
In the matter of the application to revoke the permit of William Lyons to sell liquor at 218 Post St.
The only reason given upon the hearing of this application for the revocation of the permit of William Lyons to sell liquor, was that a number of business men in the block in which his saloon is located are not in favor of a saloon in that block. We have no authority to revoke a permit to sell liquor for that reason. The application to revoke is therefore denied.

The Board then adjourned.

B. Cadwalader
Secretary.

The Secretary called the roll of thirty-three duly licensed guides, the total number of qualified guides. Thirty appeared before the Board and answered to their names. The previously filed excuses of the three remaining were pronounced satisfactory.

The Board considered the matter of the protest against the granting of permits to Jas. P. Chadwick and Edward H. Grier, continued from May 13, 1902, the protest having been made on the grounds that the applicants, if granted permits, would work for J. W. Lemon who, it was alleged, was

monopolizing the business of guiding in the Chinese quarter. In this connection the Board heard the testimony of William L. Ward; H. Walter Levy; Young Sue; Charles Log; Henry Gehrt; Wong Foy; William Glennon; William H. Gavin; Thomas Henning; Harry Jacobsen.

J. W. Lemon testified and addressed the Board on behalf of the applicants James P. Chadwick and Edward H. Grier.

The Board then adjourned to May 26, 1902, at 3 o'clock P.M.

June 17, 1902. Regular Meeting.

The Board of Police Commissioners of the City and County of San Francisco met on June 17, 1902, at 7:30 o'clock P.M.

Present: Commissioners Hutton, Howell, Mahoney and Newhall.
President Newhall presided.

The minutes of June 11, 1902, were read and approved as amended as follows:
It was ordered that the judgment of the Board in the case of Police Officer LeRoy L. Levinge should be entered as "Charges unsustained", instead of "Charges dismissed".
Ayes: Commissioners Hutton, Howell, Mahoney, Newhall.

Grand Jury requested to make an investigation.
After the Board had been in executive session and had reconvened in public session, it was ordered, that the following communications be spread upon the minutes:

San Francisco
June 14, 1902.

To the Honorable
Grand Jury of the City and County of
San Francisco.

Gentlemen:

I herewith enclose and invite your attention to a clipping from the Daily Examiner of June 13, 1902, and would respectfully ask that your Honorable Body cause a full investigation to be made and that the parties responsible for the publication of this article be required to produce the proofs of which they speak. If there be corruption in the Police Department I want to know it and want the guilty parties punished, and I think it becomes your duty under your oath of office to have all the witnesses produced before you.

Respectfully yours,
George W. Wittman Chief of Police.

San Francisco, June 16, 1902

Charles Sonntag Esq.
Foreman of the Grand Jury of the City and County of San Francisco.

Dear Sir:

Acting in pursuance of instructions received from the Honorable George A. Newhall, President of the Board of Police Commissioners, I beg to call most particularly to your attention a newspaper clipping which I enclose. The article in question was published in the San Francisco Daily Examiner of date June 13, 1902. In said article the specific charge is made that corruption exists in the Police Department and that the proofs thereof can be effected by means of evidence which, it is claimed, can be furnished on demand. Now, if corruption exists as charged, it is your plain duty and that of the Honorable Body which you represent, to cause inquiry to be made. Moreover the publishing of such accusations in a public organ, coupled with the statement that proof can be made, would seem to be sufficient reason why an investigation should be made. Therefore I would respectfully ask that such action be taken.

Respectfully,
D. L. Cadwalader
Secretary Police Commission.

In re Ticket in the Slot Machines.

Communication from Grand Jury

A communication from the Grand Jury was read, calling to the attention of the Board the fact that all slot machines were unlawful under the provisions of Section 330 of the Penal Code when used for gaming, that the Board of Supervisors had no authority to license any of such machines, and requesting this Board to take steps to prohibit the use of all such

His Honor Mayor Schmitz being present, a general discussion ensued regarding the advisability of enforcing the order of the Board of July 21, 1902, prohibiting all persons having permits to sell liquor from maintaining any slot machines on their premises, except counter card machines.
His Honor Mayor Schmitz stated that the machines prohibited by the Board had paid licenses under the provisions of an ordinance of the Board of Supervisors and that said licenses would not expire until Oct 1st 1902. That the moneys so paid could not be returned to or recovered by the owners of the machines. That the Board had taken action in this matter without notifying the Tax Collector who had enforced payment of said licenses. That having paid their licenses the persons owning said machines were entitled to operate them until the expiration of the licenses.
Commissioner Hutton stated that the machines were clearly unlawful under Section 330 of the Penal Code and that the ordinance of the Board of Supervisors assuming to license them was void, inasmuch as it was in conflict with state law.
Commissioner Howell stated that on December 30, 1902, this Board had notified the Board of Supervisors to that effect.
His Honor, the Mayor then said, "I recommend as Chief Executive of this City that the Board defer taking any action to enforce its order until the licenses on the slot machines shall have expired."
Commissioners Mahoney and Newhall stated that although they were not in favor of slot machines, they were inclined to accept the recommendation of the Mayor.
Commissioner Mahoney moved that the Board, in conformity with the Mayor's recommendation, should defer taking action to enforce its order until Oct. 1, 1902.
There being no second, the motion did not come to vote.

The Board then resolved itself into executive session.
Citations to appear.
Upon reconvening in public session, it was ordered, that all persons having permits to sell liquor, reported as having failed to comply with the order of the Board in regard to slot machines be and they are hereby cited to appear before the Board on August 5th, 1902
[illegible]

The Board then adjourned.

Leon and De Shazo 220 Stockton St
Appeared in answer to citation to revoke permit issued Aug 5. 1902. Atty Shorthall appeared for the defendants. Report was read that this saloon was conducted in a noisy manner and that the order of the Board prohibiting the erection of boxes in this saloon had been violated by

makeshift booth. Officer Tennell testified for the prosecution. Leon & Dr. Shazo testified for the defense. The citation and charges were dismissed on promise to maintain no booths and to conduct the place in a more orderly manner.

James Harley 31 — 4th — Sh

Appeared in answer to citation to revoke permit, issued Aug 5, 1902. Report was read that the prohibited slot machine had not been removed from the premises but that it was not being operated. His Honor Mayor Schmitz recommended that Harley be permitted to operate his machine without prejudice until the license on said machine should expire. Commissioner Hutton stated that he would vote against any place where a slot machine was retained on the premises whether in operation or not. A vote was taken on motion by Commissioner Hutton to revoke the permit, resulting as follows:

Aye: Com. Hutton
No: Com. Howell with understanding that machine be not operated
No: Com. Mahoney with understanding that machine be not operated
No: Com. Newhall without comment.

The order of the Board then was, that the charges and citation to revoke permit should be dismissed with the understanding that the machine should not be operated.

Emil Langmuth 133 — 11th Sh

Appeared in answer to citation to revoke permit, issued Aug. 5, 1902. Report read that Langmuth had been arrested for selling liquor to a minor girl. Officers Spench and Porter testified for the prosecution. The following testified for the defense: Em. Langmuth; Mrs. Langmuth; Louis Cohen; Porter; Leon & Lent; Mrs. Ida; Annie Hat. It appeared in the testimony that the minor Annie Hat had obtained the liquor by means of a written order from her

mother Mrs. Nab; which order was introduced in evidence. Commissioner Howell and Newhall stated that this in their minds was an extenuation of the offence. Commissioner Hutton moved to revoke the permit with the understanding that a new permit should be granted on Aug. 21, 1902. A vote was taken on the motion with the following results:

Aye: Com. Hutton with understanding that permit to re-open should be granted on Aug 21, 1902
Aye: Com. Mahoney (same understanding)
No: Com. Howell
No: Com. Newhall

The charges and citation to revoke were accordingly dismissed.

Appeared in answer to citation to revoke permit, issued Aug 5, 1902. Report read that a person had been robbed in a dice game in the saloon. As the evidence did not show that the management was culpable in this particular instance the charges and the citation to revoke the permit were dismissed with the distinct understanding that the tone of this place should be improved and all undesirable persons excluded.
